

uCANca - Bug #263

Error copying fluxes from project to the connector

05/04/2016 01:36 PM - Txinto Vaz

Status:	New	Start date:	05/04/2016
Priority:	Normal	Due date:	
Assignee:	Txinto Vaz	% Done:	0%
Category:		Estimated time:	2.00 hours
Target version:	v0.15	Spent time:	0.00 hour
Description			
<p>When trying to copy flows from the project to the connector, it fails copying fluxes from another project. For instance trying to copy the flux button_mask of the project TGRMach, it copies the flux IN_D7 from project ElectricCar. Probably the datatypes are being crossed.</p>
